List of Reference Marks in Drawings

- 1 mobile network
- 2, 3 mobile router device
- 5 terminal device
- 6 home agent
- 7 home gateway
- 8 internet
- 9, 10 access router
- 11 correspondent node device
- 12 physical interface to backbone network
- 13 L3 processing section
- 14 physical interface to mobile network
- 15 Mobile IPv6 processing section
- 16 virtual router processing section
- 17 upper layer processing section
- 18 application processing section
- 20 home network
- 21, 22 access network
- 23 mobility management processing section
